#### PUBLIC COMMENT ON AGENDA ITEMS

#### SUPERINTENDENT’S REPORT

Mr. Moses spoke about “Rachel’s Challenge”, a program that was presented to students and to the community, that was born out of the Columbine High School tragedy of 1999. Rachel Scott, a junior at Columbine and the first student killed, was a remarkable young woman who believed that her life would have an impact upon the world. She died unaware of how her story would challenge entire communities to change. The program was sponsored by the PTSA and was a very moving experience for all that attended.

#### APPROVAL OF CONSENT AGENDA

Resolved that the Board of Education of the Galway Central School District accept the **Consent Agenda** which contains the August District Treasurer’s report, the Student Activity Accounts Treasurer’s Report for August and approval of the minutes of the August 20, 2008 Board meeting.

**REPORTS**

Mr. Sutton talked about how the Board of Education is holding a series of informal community forums this fall on Saturday mornings. This “Coffee with the School Board” program is intended to offer to district residents the opportunity to find out what is going on at the school as well as to offer their input to District decisions. The School district is in the process of implementing a strategic plan which focuses on student achievement, professional development of staff, financial efficiency, technology, communication and facility improvement. These and any other relevant topics will be fair game for discussion. The “Coffee with the School Board” program is designed to encourage communication about school issues in an informal and friendly atmosphere.

Mr. Pribis reported on the recent Middle School Advisory Committee meeting that took place recently.
