COMMITTEE REPORTS

Facilities Committee reported there will be a full-time Resource Police Officer for the 2018-2019 school year. The school is now a closed campus and doors will be locked to the public. This policy impacts organizations, clubs and community groups and limits their use of school facilities. The Raptor license scanner at entrances will check your background, criminal records and sex offender registry status. The Resource Police Officer will have meetings with the public and armed officers will be patrolling the hallways daily during school hours.
