WHAT IS THE PLAIN ENGLISH “BOTTOM LINE”: APPROPRIATIONS

The Tentative Budget for 2019-20 would increase appropriations by \$1,007,521 (4.69%) over 2018-19.

However, \$620,700 of the total increase is attributable to the need to budget for additional debt service for the on-going capital project.

The remainder of the Budget is increasing by a total of \$386,821, which, in essence, represents the normal growth expected to keep the District going on the path toward educational excellence for the students. If the additional debt service appropriation were set-aside, then for comparison purposes the baseline 2019-20 budget is increasing by 1.8 percent over 2018-19.

WHAT IS THE PLAIN ENGLISH "BOTTOM LINE": STATE AID

The preliminary estimate is that state aid for 2019-20 would actually decrease by - \$ 78,639 compared to 2018-19. This is based on the Governor's proposal for Foundation Aid, along with calculations for expense-driven aid: Building Aid, Transportation Aid, and BOCES Aid.

Please note that the Foundation Aid is increasing by a mere \$15,988 (0.25%), which is the minimum increase proposed statewide by the Governor.

The Tax Levy Limitation formula would actually allow a tax levy adjustment of \$318,708 more than the \$212,425 (2.0 percent) tax levy increase listed in this Tentative 2019-20 Budget.

WHAT IS THE PLAIN ENGLISH "BOTTOM LINE" ? (CONTINUED)

At this point, the Tentative 2019-20 Budget is out-of-balance by - \$281,794.

This means that:

\$281,794 in budget reductions and/or additional allocation of available fund balance would be necessary; notwithstanding possible additional state aid that may be provided by pending action of the Legislature and signed into law by the Governor.

WHAT IS THE PLAIN ENGLISH "BOTTOM LINE" ? (CONTINUED)

If past activity by the Legislature is consistent for 2019-20 budgeting compared to 2018-19, there should be some potential relief to address the revenue gap.

Last year when the State budget for 2018-19 was settled by Legislative and Executive action, Galway Central School District was scheduled for additional Foundation Aid of \$119,249 (1.9 percent more).
