

The Enrichment Resource Center PRESENTS

Tuesdays
10/20, 10/27, 11/3,
11/10, 11/17, 11/24

4:00-5:00 pm

Thursdays
10/15, 10/22, 10/29,
11/5, 11/12, 11/19

4:00-5:00 pm

Anatomy of a Comic Book/Saratoga Children's Museum

Gr. 3-5

Students will have the opportunity to put their creativity to the test as they develop characters and story lines best suited for their comic book creations. They will story board their ideas, illustrate their characters, and letter their own graphic margins in order to create their very own comic book.

Build It Up/Saratoga Children's Museum

Gr. 3-5

Engineers are the great problem solvers of the world. This program introduces students to the world of engineering and the engineering design process. Learn how to think like an engineer as you design a solution to help solve our weekly dilemma.

Environmental Art/Jan Cioffi

Gr. 3-5

We will view examples of environment art through history and discuss the value, process, and purpose of this art movement today. Students will be challenged to imagine and design art from organic materials and 'trash.' They will work with 2D shapes and 3D forms to reflect an understanding of symmetry, balance, engineering, rhythm, and pattern.

Project Pollinator/Wilton Wildlife

Gr. 3-5

Pollinators face many threats today. Students will learn about their movements all across the globe and bring awareness to the importance of pollinators and learn how they can help! Students will have the opportunity to get hands-on in games, get crafty, and contribute to pollinator protection by creating their very own bee hotels!

The Art of Journaling/B.Connelly-Howe

Gr. 6-8

Journal writing is a reflective and meditative process that focuses our intentions and minds, but most importantly, our writing. Students in this course will practice different types of journaling and understand how utilizing these types of activities leads to success with writing development and finding one's voice while creating meaningful pieces as writers.

**Register here by 10/2/20 for either the Tuesday or Thursday classes
or go online to www.wswheboces.org/enrichment**
